EWA launches series of online activities in support of WorldSkills #55: 'Water Technology'

To help share the knowledge of WorldSkills and help interested European countries and other interested partners prepare for the upcoming WorldSkills events, EWA now launches a series of 12 online activities for support. This is the 1st online event in the series:

Presenters

- Hubert Romer, CEO of Worldskills, Worldskills Germany;; 'Explaining the Worldskills Structure, History and the Benefits for Young People and the Countries'
- Rüdiger Heidebrecht, Head of Department Training in the German Association for Water, Wastewater and Waste (DWA): 'How has skill #55 'Water Technology' been developed since 2013?'
- Rodrigo Augusto Franco de Oliveira Zawadzki, Skill #55 Manager, WorldSkills Brazil: 'The Tasks for the Participants'

Moderator

- Rüdiger Heidebrecht, Head of Department Training in the German Association for Water, Wastewater and Waste (DWA)

Target group

Everybody who wants to know more about the new global Worldskills movement in water training, Human Resource Officers, Trainers in the Water Sectors, CEO's in water utilities, possible sponsor organisations.
