### EWA launches series of online activities in support of WorldSkills #55: 'Water Technology'

To help share the knowledge of WorldSkills and help interested European countries and other interested partners prepare for the upcoming WorldSkills events, EWA now launches a series of 12 online activities for support. This is the 3rd online event in the series:

#### Objectives

The search for participants to a WorldSkills Competition starts in your own country. In this web-seminar - with Germany as an example - you will learn about how to build up a structure for a national competition in your own country, how to select competitors and how to overcome resistance.

#### Presenters

- Rüdiger Heidebrecht, Head of Department Training in the German Association for Water, Wastewater and Waste (DWA)

#### Moderator

- Maj Britt Rosenmeyer Olsen, Associate Director at the European Water Association (tbc)

#### Target group

Associations, institutions, schools, sponsors
